**JOINT APPLICATION FOR CONSENT TO TRANSFER INTERNATIONAL AND
DOMESTIC AUTHORITY PURSUANT TO SECTION 214
OF THE COMMUNICATIONS ACT OF 1934, AS AMENDED**

Pursuant to Section 214 of the Communications Act of 1934, as amended (the "Communications Act"), 47 U.S.C. § 214, and Sections 63.03, 63.04 and 63.24 of the Commission's Rules, 47 C.F.R. §§ 63.03, 63.04 and 63.24, N.L. Bentson and the Estate of N.L. Bentson (the "Estate," and together with Mr. Bentson the "Applicants") hereby request consent to the involuntary transfer of control of Midcontinent Communications ("Midcontinent") from Mr. Bentson to the Estate. Midcontinent is a non-dominant carrier authorized by the Commission to provide international and domestic telecommunications services. The Applicants seek streamlined processing of this Joint Application pursuant to Sections 63.03(b)(2) and 63.24(g) of the Commission's Rules. This Joint Application is being filed simultaneously with the International Bureau and the Wireline Competition Bureau.

In support of this Joint Application, the Applicants respectfully submit the following information:

Background

N.L. Bentson owned 95.81% of Midcontinent Media, Inc., a privately-held company organized under the laws of the state of Minnesota. Midcontinent Media, Inc. owns 100% of Midcontinent Communications Investor, LLC, which in turn owns 50% of Midcontinent and is the managing general partner of Midcontinent. Mr. Bentson passed away on April 12, 2009. On that date, Mr. Bentson's indirect interest in Midcontinent was transferred to his estate. Midcontinent will continue to operate in its existing service territory.

Midcontinent is the largest cable provider in the Dakotas. Midcontinent offers cable service, high speed Internet and telephone service across North Dakota and South Dakota, and also serves some customers in western and northern Minnesota. Midcontinent has been offering long distance telephone service since 1982 and local telephone service since 1999. Midcontinent obtained Section 214 international authorization in 2001.¹

Midcontinent's telephone service is a direct replacement for incumbent telephone company offerings, including local and long distance services; features like call waiting and call forwarding; and voice mail. Midcontinent's telephone service is offered via its own facilities, and it is certificated as a local exchange carrier in Minnesota, North Dakota and South Dakota. Midcontinent serves more than 80,000 telephone customers and more than 250,000 customers for all of its services combined.

This Joint Application is entitled to streamlined treatment pursuant to Section 63.03(b)(2)(i) of the Commission's Rules because the proposed transaction described herein would result in all Midcontinent affiliates and subsidiaries having a market share in the

¹ See Public Notice, DA No. 01-1604 (Jun. 29, 2001), granting File No. ITC-214-20010606-00327.

interstate, interexchange market of less than ten percent (10%) and because Midcontinent is not dominant with respect to any service.

Description of the Transaction

The transaction between Mr. Bentson and his Estate involves the transfer of Mr. Bentson's indirect interest in Midcontinent to his Estate by operation upon his death.

Qualification for Streamlined Processing

Midcontinent affirms that (a) the proposed transaction will result in Midcontinent having a market share in the interstate, interexchange marketplace of less than 10 percent; (b) following the proposed transaction Midcontinent will provide competitive telephone exchange service and exchange access services exclusively in geographic areas served by a dominant local exchange carrier that is not a party to the transaction; and (c) neither of the applicants is dominant with respect to any service. Consequently, this transaction qualifies for streamlined processing under Section 63.03(b)(2)(i) of the Commission's Rules.

The Estate certifies that neither it nor any affiliate or successor will provide international telecommunications to any destination country for which Midcontinent or an affiliate or successor (1) is a foreign carrier in that country; (2) controls a foreign carrier in that country; or (3) is owned more than 25% by or controlled by an entity that controls a foreign carrier in that country.

(11) Certification by Transferee pursuant to 47 C.F.R. §§ 1.2001-1.2003 that no party to the Joint Application is subject to denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 583

The Estate hereby certifies, pursuant to 47 C.F.R. §§ 1.2001-1.2003, that to the best of its knowledge, information, and belief, no party to this Joint Application is subject to denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 583.

(12) Qualification for streamlined processing.

This Joint Application qualifies for streamlined processing under Sections 63.12(a) and (b) of the Commission's rules. No Applicant is affiliated with any foreign carrier in any destination market. No Applicant has an affiliation with a dominant US carrier. No Applicant seeks authority to provide switched basic services over private lines to a country for which the Commission has not previously authorized the provision of switched services over private lines. Authorization is sought for the transfer of an indirect interest from a deceased individual to his estate.

Transfer of Domestic Section 214 Authorizations

Pursuant to Section 63.04(b) of the Commission's Rules, the Applicants supply the following information required pursuant to Sections 63.04(a)(6) through 63.04(a)(12) of the Commission's Rules:

(1) Description of the transaction

The transaction involves the involuntary transfer of an indirect ownership interest in Midcontinent from Mr. Bentson, who is deceased, to his estate. Service will not be affected by the proposed transaction.

(2) Description of the geographic areas in which the Transferor and Transferee (and their affiliates) offer domestic telecommunications services, and what services are provided in each area

The transferor controlled over 10% of the equity of Midcontinent. Transferee is the transferor's estate.

Midcontinent offers local exchange, exchange access and interstate interexchange telephone service in North Dakota, South Dakota and portions of western Minnesota. Local exchange and exchange access services are offered via Midcontinent's own facilities and interexchange telephone services are offered via Midcontinent's own facilities or resale. Midcontinent is certificated as a local exchange carrier in Minnesota, North Dakota and South Dakota. Midcontinent serves more than 80,000 telephone customers.

(3) Statement as to how the Joint Application fits into one or more of the presumptive streamlined categories in Section 63.03 of the Commission's Rules or why it is otherwise appropriate for streamlined treatment:

The Joint Application is entitled to streamlined processing under Section 63.03(b)(2)(i) of the Commission's Rules because (a) the proposed transfer would result in Midcontinent, its subsidiaries and affiliates having a market share in the interstate, interexchange market of less than ten percent (10%); and (b) neither Applicant is dominant with respect to any service.

The proposed transaction will have no adverse effect on competition. Grant of streamlined treatment for this Application is consistent with Commission precedent.

(4) Identification of all other Commission applications related to the same transaction

This transaction also resulted in the transfer of control of certain authorizations in the Cable Antenna Relay Service, the Private Land Mobile service, the Common Carrier Microwave

service, and the Receive-Only Earth Station service. Transfer of control applications are being filed for those authorizations concurrently with this application.

(5) Statement of whether the Applicants are requesting special consideration because either party to the transaction is facing imminent business failure

Neither Applicant is facing imminent business failure. Therefore, the Applicants are not requesting special consideration for this reason.

(6) Identification of any separately filed waiver requests being sought in conjunction with the transaction

No separately filed waiver requests are being sought in conjunction with the transaction.

(7) Statement showing how grant of the Joint Application will serve the public interest, convenience and necessity, including any additional information that may be necessary to show the effect of the proposed transaction on competition in domestic markets

The proposed transfer of Mr. Bentson's indirect ownership interest in Midcontinent to his estate will enable the continued provision of high-quality communications services to Midcontinent's customers. As the proposed transaction simply involves the transfer of an indirect interest in Midcontinent from a recently-deceased individual to his estate, competition will not be adversely affected by consummation of the proposed transaction.

Conclusion

For the foregoing reasons, the Applicants respectfully submit that grant of this Joint Application by the Commission would serve the public interest, convenience and necessity.

Respectfully submitted,

N.L. Bentson
